### About Us

Grins & Pickin's CampFarm LLC is an agri-tourism business that offers outdoor recreation, primitive camping, pick-your-own produce, homesteading activities and nature-based programs.

Grins & Pickin's CampFarm was created to share the outdoors with others. Growing food and flowers, camping, hiking and practicing homesteading is what we like to do. And we like sharing these activities with others.

Located near the very center of Ohio, the 68-acre farm is 30 miles north of downtown Columbus and near I-71 and SR 61 (exit 140) outside of Marengo. We are a seasonal business that is closed during winter months.
